

Ozarks Medical Center FOUNDATION

Payment Terms & Conditions

Complete donor records (including gift histories and cumulative giving amounts) will be maintained by the Development Foundation department, based on information from past contributions and information on current and future gifts. Such information will be maintained in confidence unless permission is granted by donor to make public. Accurate record-keeping of funds restricted for various purposes are kept and documented in general ledgers maintained in the Foundation department. The Foundation will follow any directive the donor may have in regards to their online donation and considers all donations to be nonrefundable.
